Cigar Wednesdays at DREAM

Cigar Wednesdays is a planned series of DREAM evenings with the entire venue dedicated to cigars and whiskey. Selected music, gatherings and conversation shape the format; the details are still in development. An event programme covering the venue does not permit smoking throughout the premises. Smoking is limited to a designated space after staff confirm that the legal conditions are met. The DREAM team confirms programme dates and availability.

The whole of DREAM for the Wednesday series

The planned format covers the whole DREAM venue in Krakow’s Old Town. On Wednesdays, the entire venue will be dedicated to evenings centred on cigars and whiskey.

Dates, times and a programme have not yet been announced. Details and participation need to be agreed with the DREAM team.

Evenings with music and conversation

The DREAM team is preparing gatherings with music chosen for the occasion, with cigars and whiskey as the evening’s themes. Meeting and talking with other guests are central to the format.

The music and arrangements are being planned for the venue as a whole. The programme for each Wednesday is still being developed.

Information directly from DREAM

If you are interested in the planned series, ask the DREAM team about preparations and taking part. You can mention a preferred date and the number of people.

The venue will confirm arrangements and availability once the programme is settled. An enquiry alone does not confirm participation.

Questions and answers

Have Cigar Wednesdays started?

This is an introduction to a planned DREAM series. Dates, times and a programme have not yet been announced.

What is the planned format for Wednesday evenings?

The planned format covers the whole of DREAM. The Wednesday evenings will centre on cigars and whiskey, with selected music, gatherings and conversation.

Who should I contact about taking part?

Contact the DREAM team directly. They are preparing the series and will confirm the programme and availability. Project HERO invites you to discover the venue’s initiative.
